Lighting

Advanced lighting options, with intuitive controls and variable color options, can be found throughout the cockpit and cabin to set the mood just right for any occasion.

Audio

Cigarette relies on the leader in the industry, JL Audio Marine, to meet our client's pressing demand for the perfect, audiophile quality systems that can withstand the rigors of the sea, wind and open cockpits. Our sound system are tested in each model to optimize sound to the unique features of the Marauder SS.

Helm

Intelligent use of composite materials and construction techniques has allowed for further weight reduction with improved vibration dampening and structural rigidity, the re-designed hatch enhances the aeration of the extremely powerful engines. The consoles have been redesigned to allow for the latest findings in Cigarette's ergonomic studies to be put to use.

Cabin

Take refuge from the sun, grab a drink from the cooler, or tuck away for a nap in the 50 Marauders cabin. Custom upholstery down to the pillows, all made at Cigarette's South Florida manufacturing facility.

Cockpit

The 50' Marauder SS has relentless acceleration, exact handling, breathtaking speed and remarkable detail. Unique to the to Marauder SS, hull and deck lines are smoothed for improved aerodynamics with a redesigned hatch to optimize reflow into the high horsepower, dual turbocharged Mercury Racing power plants. Iterative refinements has lead to an ergonomic consoles, stylish upholstery, and unrelenting attention to detail. The result is nothing short of awe-inspiring elegance in a performance boat.
